

KASPER FX VPS

1. Introduction

1.1. The KasperFX VPS Service (“VPS Service”) is offered exclusively to Live Account Clients of KasperFX (“the Company”).

1.2. The VPS Service is provided through KasperFX’s authorized hosting partners, ensuring enhanced speed, connectivity, and security for trading activities.

1.3. The VPS Service is available only to Clients who satisfy the eligibility criteria as outlined in these Terms and Conditions.

1.4. By applying for and using the VPS Service, the Client acknowledges and accepts that they are legally bound by these Terms and Conditions in addition to any other binding agreement with KasperFX.

2. Commencement Date

2.1. The VPS Service shall commence from the date of approval of the Client’s request and will remain valid unless terminated under these Terms.

3. Terms and Conditions

3.1 Eligibility & Deposit Requirement

- The VPS Service is available to Clients who maintain a **minimum deposit of USD 3,500** (excluding bonuses) in their KasperFX trading account.
- Clients must complete **at least 8 standard lots of trading volume per calendar month** to qualify for renewal.

3.2 Top-Up Deposits

- If a Client performs a **top-up deposit**, the same eligibility requirements shall apply:
 - Account balance must remain **USD 3,500 or higher**;
 - A minimum of **8 standard lots** must be traded each month.

3.3 Account Ownership

- The VPS Service is provided for one trading account only and may not be transferred, shared, or reassigned.

4. VPS Packages & Fees

4.1. KasperFX may offer VPS hosting packages with varying specifications (RAM, CPU, Disk Space) as communicated at the time of approval.

4.2. Access to the VPS Service will be granted within two (2) business days after the Client's request is approved.

4.3. If the renewal conditions are not met, the Client may continue using the VPS Service by paying the applicable monthly fee, as set by KasperFX.

5. Renewal Conditions

5.1. VPS Service renewal is subject to:

- A trading balance of **USD 3,500 or more**;
- At least **8 standard lots traded** in the previous calendar month.

5.2. Failure to meet renewal conditions will result in:

- Suspension of the VPS Service, OR
- Conversion to a paid VPS Service, with fees deducted from the Client's KasperFX account.

6. Amendments & Termination

6.1. KasperFX reserves the right to amend these Terms, VPS requirements, or fees at its sole discretion without prior consent from the Client.

6.2. KasperFX may terminate the VPS Service by giving one (1) week written notice if renewal requirements are not satisfied.

6.3. Immediate termination may occur if:

- The Client engages in fraudulent or abusive practices;
- The Client violates KasperFX trading rules or account agreements;
- The VPS Service is misused or manipulated.

7. Disputes & Complaints

7.1. Any dispute relating to this VPS Service shall be handled under KasperFX's Complaint Handling Policy, available at www.kasperfx.com.

7.2. Complaints must be submitted in writing to KasperFX Support.

8. Acknowledgements

8.1. The Client acknowledges and accepts that:

- VPS hosting is managed by third-party providers, and KasperFX is not liable for outages or technical disruptions.
- Forex and CFDs are leveraged products carrying significant risk; Clients may lose all invested capital.
- VPS hosting does not guarantee profitability or error-free trading execution.

8.2. KasperFX reserves the right to verify the Client's identity and account details at any stage.

9. Additional Conditions

9.1. Clients are prohibited from engaging in high-frequency trading (HFT), latency arbitrage, or any other abusive trading practices through the VPS Service.

9.2. Automated or EA-driven trading is permitted only if compliant with KasperFX's trading policies.

9.3. KasperFX reserves the right to suspend or terminate VPS access in case of suspicious activity, system abuse, or violation of compliance rules.

10. Governing Law

These Terms shall be governed and interpreted in accordance with the applicable laws of KasperFX's jurisdiction.
